Calendar item

Dear Sir/Madam,

Please mark:

**12–13 May 2026**

in your calendar.

We are taking our popular ULT symposium to a new level.

## **air quality days**

You can look forward to:

- Exciting specialist presentations
- Practical training courses
- The latest industry insights
- There will be plenty of opportunity for discussion and networking.

Be there! We look forward to welcoming you to Löbau!

Further information and organisational details can be found on our website.
